## 2026-2027 Season Sponsorship

**BreakingEven** is an all-level adult dance troupe in Albuquerque made up of lifelong friends who value movement, creativity, and connection. We push back against narrow ideas of who can dance, embracing accessibility, self-expression, and community over perfection or precision. For us, dance is about joy, growth, and sharing that love with the people around us.

Our **2026-2027** season includes three performances: **Such Unknown Horrors (January 2026)**, **The Fame Monster: A Tribute to Lady Gaga (May 2026)** and **The Serpent Underneath (January/February 2027)**.
